

Annual General Meeting

The AGM was well attended, the upstairs room in Springfield House being filled to capacity. In view of the inclement weather during July we were glad to have chosen an indoor venue.

John Spiers, Chairman, summarized our activities since the last AGM and outlined future plans. Past Newsletters have reported the former in detail and the present one deals with the latter. The committee (see back page) was re-elected en bloc with the welcome addition of Michael Catty who valiantly volunteered to increase the male presence.

After the business we were entertained by two local musicians, introduced to us by Hilary Spiers. Soprano Emily Dunn sang a selection of twentieth century songs which were popular during Forster's lifetime. She was accompanied by pianist Ben Ward.

Tea, home-made cakes and conversation were appreciated by attendees to round off the afternoon.

Waymarked Walk

We are planning to institute a signposted Forster Walk from the Old Town up The Avenue and across Forster Country with a figure of eight route from St Nicholas' Church.

We are most grateful for a generous donation from Barbara and Ken Follett,

made in memory of John Hepworth, which will enable us to pay for the signs and their erection.

We are also indebted to Committee Member, Anne Conchie, for her hard work on this project.

CPRE

We are now members of CPRE (Campaign to Protect Rural England) which we regard as an umbrella organization.

They are holding a Hertfordshire Planning Training Day in Knebworth Village Hall on 9th October to which we hope to send a representative.

Last chance ...

This is a reminder that the closing date for entries to the Photographic Competition is September 30th.
